The screenshot displays the 'Music Theory' app interface. At the top, there's a navigation bar with a blue '12' icon. Below it, a musical score is shown on a black background. The score consists of seven staves, each with a treble clef and a key signature of one flat (B-flat). The notes are color-coded: green for quarter notes, red for eighth notes, and purple for sixteenth notes. A green checkmark icon is visible on the right side of the third staff, indicating a correct answer or completion. The app's title 'Music Theory' is at the bottom, with '12' in a blue circle next to it.
